Important — Read

To the Collectors—

Once in a generation is NUMISMATIC HISTORY made—This is the time! ! Fate has thrown together through an unusual chain of events several collections which we are proudly offering in our forthcoming Public Auction Sale which will be known as the DAVIS - GRAVES Collection.

A page of early American Numismatics is brought back to actual reality—Names of famous collectors and dealers such as Woodward, Bangs, Parmellee, H. Coulton Davis, Hazeltine and others are part of this fabulous sale.

The thrill of Numismatics is when one is privileged to view and examine a collection sealed since 1890 which was formed by the late Mr. Davis, a New England Machinery Manufacturer and one of America's Pioneer Collectors. (You will readily understand after you view and read about these magnificent gems which were uncovered and now are being offered to you).

Of course, some of the highlights of this sale are from the Graves Estate, which includes the King of Rarities, the 1804 SILVER DOLLAR, 1794 DOLLAR IN COPPER, 1841 PROOF QUARTER EAGLE, 1858 EAGLE to mention a few of the hundreds of equally important coins.

This momentous Auction naturally will have a catalog commensurate with the quality of coins listed and offered for sale. It will be a handsome illustrated catalog and in order to defray the high cost of printing we are asking $1.00 for it. This price will include the list of prices realized after the sale at no additional charge. No catalogs will be sent unless requested. After the sale Catalog and Prices Realized will be $5.00.
